## **RECITAL TICKETS**

**Tickets for our annual recital will go on sale Saturday April 30th from 9am-4pm at the studio.** Tickets will be sold based on a lottery system. During the week of April 4th-April 9th during your child's regularly scheduled dance classes you will draw a timeslot from a bucket. The time slot that you receive will be your scheduled time to come to the studio on Saturday April 30th to pick your seats/tickets for the recital. Due to limited seating, at this time we are guaranteeing each student six (6) tickets, and if you have more than one child in our program, you are guaranteed eight (8) tickets. Any tickets that you may need above the guaranteed amount will be subject to their availability after April 30th. We assure you that we will do everything we can to ensure you get the tickets you require.

If you cannot make it to the time slot you draw, you can have someone else come on your behalf or you can notify us that you are unable to attend and we will reserve your tickets at your time slot on the day of ticket sales. If your child is absent during the week of April 4th we will draw a time slot for you. The price for each ticket is \$25. However, if you purchase a ticket for both shows, the ticket price will be \$35 and it will allow you access to both shows (discounted from \$50). You can either pay for tickets with the card we have on file, or by check or cash the day of ticket sales.

## **RECITAL VIDEO FEE**

All dancers will receive a digital copy of both recitals to the email we have on file..... so leave your cell phones in your pockets and sit down and enjoy the show! **Each student will be charged a media fee at the time of ticket sales of \$18 (\$10 for each additional child you have in our program).** With this media fee, as mentioned you will receive a copy of the Recital which is being professionally videotaped and edited by Brown Bag Image INC.

***\*\*This fee will be charged with the account on file on April 30th unless you notify us ahead of time that you would like to pay in a different format.\*\****

## **RECITAL PICTURES**

All children will have their recital pictures taken in full costume on Dress Rehearsal Day Thursday June 9th by a Professional Photographer immediately after they practice on stage. The teacher for their class or designated backstage mom will bring them and assist them with their pictures. Once they are done taking their pictures we will dismiss your child to you from the auditorium. Pictures will take approximately 20 minutes for each class.

Pictures will be available for purchase after recital day, and each parent will receive a proof of their child's pictures after recital day. Pictures will be available for purchase by either print or digital download. More information regarding recital pictures/prices will be emailed to you along with your child's proofs.
