

PROGRAM AD REQUESTS

On My Toes will be selling advertising spaces in the recital programs handed out before the show. The AD's in the program can also serve as a space to congratulate your dancer for all their hard work this season! You can add a picture of your dancer with a little congratulatory note from family and friends! As a business you can add any picture/business card you want to promote your business. We hope you consider supporting On My Toes by purchasing an AD space for either your business or child.
