

OMT Crew Performance Program

Our Petite & Junior Crew teams are a great option for a dancer looking to dance more! With approximately 5 local performances throughout the season in addition to our June recital, these teams give your dancer more performance opportunities! These teams are less of a commitment than our competition teams and are the perfect addition for your dancer to the technique classes they already take!

Team class tuition is \$80 per month in addition to their technique classes. Other costs for these teams include outfits! Our Petite Crew wears our OMT Crew Performance T-Shirt, Crew Jacket, and bow with black leggings they already have! Our Junior Crew team wears a 2 in 1 costume based on the style of their dances and our Crew jacket!

For class, both teams will need a black leotard, nude tights, nude jazz shoes, & nude foot undeez!

OMT Competition Team Program

Our Competition program is for dedicated dancers and their families who are ready to take the next step with their training! Our Petite, Junior and Elite competition teams are not only age based but also require a certain level of technique due to the nature of the competition world. Both dancers and their families must be ready for the time commitments and costs that come with being a competition dancer.

Team class tuition is \$80 per month in addition to their required technique classes. Dancers are strongly encouraged to take more than just the required classes listed below in order to level up their technique to compete in the competition world. Solos/duets/trios decisions are based on class behavior, attendance, technique ability, years danced, & compatibility with other dancer's at auditions. The ultimate decision is made by the director with input from the dancer's teachers.

Other costs associated with our competition teams include multiple costumes, the OMT competition jacket, competition entry fees, and additional choreography/entry fees if your child is selected for a solo/duet/trio. Competition members will receive their breakdown of costs and competition dates by September 1st. This year we have a parent run fundraising committee who will help us organize and run multiple fundraisers throughout the season!
