

## OMT Crew Performance Program

Our Petite & Junior Crew teams are a great option for a dancer looking to dance more! With approximately 7 local performances throughout the season in addition to our June recital, these teams give your dancer more performance opportunities! These teams are less of a commitment than our competition teams and are the perfect addition for your dancer to the technique class they already take!

Team class tuition is \$85 per month in addition to their technique classes. Other costs for these teams include outfits! Our Petite Crew wears our OMT Crew Performance T-Shirt, Crew Jacket, and black leggings! Our Junior Crew team wears a 2 in 1 costume based on the style of their dances and our Crew jacket!

For class, both teams will need a black leotard, nude tights, & nude jazz shoes!

### ***Petite Crew Requirements (approximately ages 5-7 & 1-2 day per week commitment)***

## OMT Competition Team Program

Our Competition program is for dedicated dancers and their families who are ready to take the next step with their training! Our Petite, Junior and Elite competition teams are not only age based but also require a certain level of technique due to the nature of the competition world. Both dancers and their families must be ready for the time commitments and costs that come with being a competition dancer.

Team class tuition is \$85 per month in addition to their required technique classes. Dancers are *strongly* encouraged to take more than just the required classes listed below in order to level up their technique to compete in the competition world. Solos/duets/trios decisions are based on class behavior, attendance, technique ability, years danced, & compatibility with other dancer's at auditions. The ultimate decision is made by the director with input from the dancer's teachers.

Other costs associated with our competition teams include multiple costumes, the OMT competition jacket, competition entry fees, and additional choreography/entry fees if your child is selected for a solo/duet/trio in addition to a list of required items that parents are required to purchase. Competition members will receive their breakdown of costs and competition dates by July. We do fundraising to help offset these costs however parents should still be able to pay these costs without the aid of fundraising.

Please note, our competition teams are based not only on ability but also age. Dancers invited to these teams will be based on where we see the best fit for them individually and each team overall, meaning younger dancers can be placed on higher teams and older dancers can be placed on younger teams.

Example Competition Season Schedule: (based on dates from the 2023/20234 season)

1. Saturday in August or September @ OMT for team bonding
2. Saturday in September @ PV Town Day
3. Sunday in October @ Yorktown Street Fair
4. Saturday in December @ Yorktown Light Parade
5. Saturday in December @ JV Mall Performance
6. Weekend in December for Jessica Lynn Performance (select dancers only- NEW for 2024)
7. Saturday in January @ Mock Competition in OMT Studio
8. Sunday in January @ OMT Winter Showcase
9. Competition Weekend in February
10. Competition Weekend in March
11. Competition Weekend in April
12. OMT Recital in June

For every class, all teams will need a black leotard, nude stirrup tights, nude jazz shoes, & nude Capezio foot undeez! Other shoes may be required based on the teacher/choreographer.
